

Voigt-Abernathy Sales Corp. Announces Acquisition of Pnucor, LLC Assets

Company Release – 9/10/2020 1:30 pm

Voigt-Abernathy Sales Corporation announces the completion of the asset purchase of Pnucor, LLC, an established distributor of pumps, filtration products, process equipment and services for industrial applications. The purchase also includes the Pnucor Filtration disposable media cartridge manufacturing operations and Pnucor brand name.

Originally founded in 1968, Pnucor is headquartered in Charlotte, NC and operates out of a single location. Pnucor is focused on serving customers in the chemical, oil & gas, petrochemical, municipal, power generation, food, pharmaceutical, military, textile, and general industrial markets with 8 employees.

“We are pleased to welcome all Pnucor employees to the Voigt-Abernathy team. With Pnucor, we will continue to build on our strategy of providing world class pump and filtration products, plus aftermarket services to an expanded customer base in North Carolina, South Carolina, Virginia, plus to other Pnucor Filtration customers nationwide. Pnucor will expand Voigt-Abernathy’s operating footprint to 11 states and will strengthen our market penetration and brand name in the Carolinas.”

About Voigt-Abernathy

Voigt-Abernathy is a leading industrial products and services distributor focused on adding value, plus total cost savings solutions to MRO and OEM customers in the process and manufacturing industries since 1946. Voigt-Abernathy provides innovative pumping, filtration, flow measurement, bulk material handling, and MROP (maintenance, repair, operating and production) solutions that utilize Voigt-Abernathy’s vast product knowledge and technical expertise in equipment and process systems. Voigt-Abernathy’s breadth of products and service solutions allows us to be flexible and customer driven, creating ultimate value for our customers.
